Mr. Brennan - This notice has been sent to the Ward Council Member and to the Safety Department.

-Councilman Divis - Please be advised that Parma City Council, at the regular Council Meeting held on Monday, April 15, 2013, considered the request for Variance extensions for the applicant Mr. Kevin P. Harrison, owner of A Touch of Class A/B Inc., located at 1611 Brookpark Road, PPN 445-05-006, 007, and 008. These "Area" Variances were granted by Council on September 17, 2012, and the extension is requested because of a delay in the start of their project due to the passing of the architect on the project. The first request was for an "Area" Variance of Section 1199.06(a)(b)(c) – SCREENING AND BUFFERING – LANDSCAPED BUFFER AREAS FOR REAR AND SIDE YARDS. The proposal is for an addition to the existing commercial building and the building of a new commercial building. A 12' wide landscape buffer is required for the side and rear setback abutting a Residential District. The request is for 0-3' landscape buffer. The Variance would result in allowing 0' wide landscape buffer.

The second request was for an "Area" Variance of Section 1170.06 – COMMERCIAL OFFICE DISTRICTS – LOT AREA, WIDTH AND COVERAGE REGULATIONS. Maximum lot covered permitted by Code is 30%. The request is for lot coverage of 44%. This Variance would result in allowing 14% more lot coverage than permitted by Code. There is a stipulation that there is a 2' setback with a fence, and the applicant agreed to the stipulation.

The third request was for an "Area" Variance of Section 1170.08 – COMMERCIAL OFFICE DISTRICTS – SCHEDULE OF YARD AND HEIGHT REGULATIONS. A 12' side and rear building setback is required from the adjacent residential property. The request is for an 8' setback.

COMMUNICATIONS, PETITIONS, AND CLAIMS CONTINUED:

The fourth request was for an "Area" Variance of Section 1197.05(33) – OFF STREET PARKING AND LOADING FACILITIES – SCHEDULE OF REQUIRED PARKING – AUTO BUSINESS – SALES AND SERVICE. Parking must be provided at a rate of 4 spaces per bay, plus 1 space per employee for a total of 35 spaces. The request is for a total of 23 spaces. This Variance would result in 12 less parking spaces than Code requires.

Motion made by Councilman Divis, seconded by Councilwoman Galinas, to grant the extension of these Variances to Mr. Kevin P. Harrison. Motion carried.
