THERE IS ONE VARIANCE AND AN ORDINANCE TO DISCUSS THIS EVENING:

After discussion Mr. Ziefle made the following recommendation: "I make a motion to recommend to Parma City Council to GRANT with (10) stipulations and (14) conditions to Anthony R. Vacanti, Esq. of Buckingham, Doolittle & Burroughs, LLC, 1375 E. 9th St., Suite 1700, Cleveland, OH 44114 representing Bola Morgan, Morgan's Towing & Auto Service, 5701 Pearl Rd, has requested a "Use" variance of the City of Parma Codified Ordinances of Section 1170.03 – COMMERCIAL/OFFICE DISTRICTS – SCHEDULE OF PERMITTED BUILDINGS AND USES. The sale of used products is not included in permitted buildings and uses in the Retail Business District. Permitted only in Commercial Manufacturing A & B Districts. The proposal is for property located at 5701 Pearl Rd to use existing building in Retail Business District for sale of used tires. This variance would result allowing the use of building in Retail Business District for sale of used tires. The PPN is 443-04-012. The stipulations are:

(a) All business, service, storage and manufacturing operation shall be conducted and all materials used in their operations shall be contained, wholly within the enclosed buildings or enclosed by a solid wall or fence of such nature and height as to conceal completely all operations thereof and all materials therein from any

observer's view, if observer standing on the grade level on an adjacent residential premises. You couldn't see them and they couldn't see you. In other words, a privacy fence, simple as that because you have residents on both sides.

(b) All work would be done inside of building.

(c) No tire racks will be displayed outside of the building after hours.

(d) Storage of materials in the yard and building must comply with fire protection standards.

(e) Waste products resulting from aforesaid operation shall either be disposed of legally or stored in the building or enclosed within the wall or fence.

(f) All operations shall be the type that will be: no dust, no smoke, no fumes, no gas, no flare, and no obnoxious odors.

(g) Everything is going to be kept inside the building – you are not going to do any work on the curb side or out on the street.

(h) You are going to keep the noise vibration; your air-gun keep it inside/outside so that the neighbors/nobody has a problem with that.

(i) No vehicle repair shall be conducted on the street or the public right-of-way.

(j) No temporary signage shall be permitted such as "For Sale", "For Rent", and "For Lease".

1. All Building, Zoning and Property Maintenance regulations must be met 30 days from date approval by Parma City Council.

2. White box truck must not be used for storage.

3. All vehicles, including white box truck, must be licensed and plated.

4. Used tires to be sold from inside building.

5. Temporary signage not permitted and must be removed.

6. All repairs to be made from inside building and not on side street nor in lot.

7. This means: work on cars and sale of tires are to be sold inside – NO RACKS IN LOT.

8. Debris to be disposed of.

9. Any and all parking on side street (Dresden) shall comply with same parking regulations as neighborhood resident.

10. No parking on sidewalk.

11. Clean sidewalk of oil.

12. Include house on Dresden as well as storage of debris on that property.

13. No car sales anywhere on property.

14. Sidewalks to be cleared of snow.

By granting this variance the owner's property would not suffer substantial detriment and by granting this variance the neighborhood would not be substantially altered especially if he cleaned it up, please. By granting this variance the Zoning and Building requirements would be observed."

Mrs. Kraft second the motion. Mr. Ziefle, Mrs. Kraft, Mr. Yurkiw, Mr. Mastrobuono and Mr. O'Connor voted yes.

Also be it noted that a variance(s) once granted, shall not be withdrawn or changed unless there is a change of circumstances or if after the expiration of six months no substantial construction is done in accordance with the terms and condition for which such variance was granted. In which case the Building Commissioner shall give notice in writing, and thirty days thereafter the variances will be deemed null and void, and all regulations governing such premises in question shall revert back to those in effect before the variance was granted.

This Variance was read into the record on January 22, 2018, and referred to the Planning Committee. The following amended stipulations have been submitted:

1. All business operations shall conform to Parma's Ordinances, including but not limited to, the performance standards set forth in section 1170.15 of the Parma Codified Ordinances.
2. Tire racks may be displayed outside of the building between the hours of 9 A.M. and 6 P.M. All tires and racks shall be stored within the enclosed building at all other times. *G B.M.*
3. No business operations shall be conducted on any street or other public right-of-way.
4. All signage shall conform to Parma's Ordinances. Signs that are not permitted under Parma's Ordinances must be removed.
