COMMUNICATIONS, PETITIONS AND CLAIMS

The Parma Board of Zoning Appeals met on Tuesday, March 9, 2021 and PROPOSED TO "VARY, subject to the provisions of amended Ordinance 1127.13 (confirmation or rejection by Council within forty days of the receipt of this notice) FOR THE APPLICANT Dann Stapp, 5670 State Rd., Parma, OH 44134. PPN 444-18-024. After discussion Mr. Yurkiw made the following recommendation: "I recommend to Council to GRANT Diamond Z Engineering, Inc., Mr. Dann R. Stapp of 5670 State Road, 44134 has requested an "Use" variance of the City of Parma Codified Ordinances of Section 1153.02 – SINGLE-FAMILY HOUSE DISTRICTS – PRINCIPAL USES AND BUILDINGS. The proposal is to allow office use in Single-Family zoning district for property located at 3711 Kenmore Ave. Within any Single-Family House District, no building or premises shall be erected, used, arranged, or designed to be used, in whole or in part, for other than single-family detached dwellings. This variance would result in allowing to use a single-family home as an office in Single-Family House District. PPN 444-18-024. The essential character of the neighborhood would not be substantially altered and the adjoining properties would not suffer a substantial detriment as a result of granting this variance. Mr. Ziefle second the motion. Mrs. Green, Mr. Yurkiw, Mr. Mastrobuono, Mr. Ziefle and Mr. O'Connor voted to recommend to grant this variance.

Also be it noted that a variance(s) once granted, shall not be withdrawn or changed unless there is a change of circumstances or if after the expiration of six months no substantial

construction is done in accordance with the terms and condition for which such variance was granted. In which case the Building Commissioner shall give notice in writing, and thirty days thereafter the variances will be deemed null and void, and all regulations governing such premises in question shall revert back to those in effect before the variance was granted.

Motion made by Councilman Divis seconded by Councilman Jech to thereafter read the variance application by title only. Further moved to refer the Variance application to the Planning Committee. Motion carried.

The Parma Board of Zoning Appeals met on Tuesday, March 9, 2021 and PROPOSED TO "VARY, subject to the provisions of amended Ordinance 1127.13 (confirmation or rejection by Council within forty days of the receipt of this notice) FOR THE APPLICANT Cleveland Auto Mall, 3445 Brookpark Rd. PPN 444-04-121. After discussion Mr. Yurkiw made the following recommendation: I recommend to Council to grant Cleveland Auto Mall, 3445 Brookpark Road, 44134 has requested an "Area" variance of the City of Parma Codified Ordinances of Section 1170.03 – COMMERCIAL OFFICE DISTRICTS – SCHEDULE OF PERMITTED BUILDINGS AND USES. The proposal is to use parcel zoned Commercial Manufacturing A for selling of used cars on property located at 3445 Brookpark Road. Buildings and land shall be used in whole or in part in Commercial Manufacturing District only for uses permitted in schedules and regulations. Selling of new and Used cars permitted only in Commercial Manufacturing B district. This variance would allow to operate a used car dealership in Commercial Manufacturing A District. PPN is 444-04-121. The essential character of the neighborhood would not be substantially altered and the adjoining properties would not suffer a substantial detriment as a result of this Board's recommendation. Mrs. Green second the motion. Mr. Ziefle, Mr. Mastrobuono, Mrs. Green, Mr. Yurkiw and Mr. O'Connor voted yes.

Also be it noted that a variance(s) once granted, shall not be withdrawn or changed unless there is a change of circumstances or if after the expiration of six months no substantial construction is done in accordance with the terms and condition for which such variance was granted. In which case the Building Commissioner shall give notice in writing, and thirty days thereafter the variances will be deemed null and void, and all regulations governing such premises in question shall revert back to those in effect before the variance was granted.

Motion made by Councilman Divis seconded by Councilman Jech to thereafter read the variance application by title only. Further moved to refer the Variance application to the Planning Committee. Motion carried.

The Parma Board of Zoning Appeals met on Tuesday, March 9, 2021 and PROPOSED TO "VARY, subject to the provisions of amended Ordinance 1127.13 (confirmation or rejection by Council within forty days of the receipt of this notice) FOR THE APPLICANT Deanne & Brent Turns, 1658 Mason Dr., 44134. PPN 446-17-045. After discussion Mr. Ziefle made the following recommendation to Council to grant to Deanna & Brent Turns, 1658 Mason Drive have requested an "Area" variance of the City of Parma Codified Ordinances of Section 1153.03(b)(2)(5) – SINGLE-FAMILY HOUSE DISTRICTS – ACCESSORY USES & BUILDINGS-REGULATIONS-PARKING AREAS. The proposal is to provide more driveway/parking area and parking pad than allowed by Code on property located at 1658 Mason Drive. The amount of hard surface area for a driveway in residential front setback shall not exceed 32% of front setback area and width shall not exceed 20' wide on lot with 74' of effective frontage. Proposing to add an additional 6' for overall total of 26' in driveway width, and 35% of pavement in front setback area. This variance would result in allowing 6 feet of additional driveway width, and an additional 3% in area. The PPN is 446-17-045. Deanna & Brent Turns, 1658 Mason Drive have requested an "Area" variance of the City of Parma Codified Ordinances of Section 1153.03(b)(2)(5) – SINGLE-FAMILY HOUSE DISTRICTS – ACCESSORY USES & BUILDINGS-REGULATIONS-PARKING AREAS. The proposal is to provide more driveway/parking area and

parking pad than allowed by Code on property located at 1658 Mason Drive. For a residential lot with a front setback of less than 30 feet, no parking pad is permitted to be constructed in the front setback area. Proposing parking pad in front setback on property at 1658 Mason Dr. This variance would result in allowing for parking pad permitted in front setback on a residential lot with a 17' front setback. The PPN is 446-17-045. Mr. Ziefle: I make a motion to recommend to Council to approve this stipulated as read with the caution that after it is approved by Ward Council it is still incumbent upon the Applicant to work with the contract agreement with the Association. Included in this stipulation is the Engineer's comments that this subdivision does not have the traditional front yard depth. The distance between the sidewalk and the face of the houses is only 17', therefore the driveways are only 17' deep. These driveways can only park two vehicles, whereas, the traditional driveways can park four. If this variance were to be approved, it is strongly recommended that it be stated that the granting of the variance does not set a precedent because there are existing driveways that are 27' wide in this subdivision. The 17' front setback depth is a valid hardship and a special condition unlike the majority of the driveway depth in the city. By granting this variance the essential character of the neighborhood would not be substantially altered and by granting these variances the zoning and building requirements would be observed. Mrs. Green second the motion. Mr. Ziefle, Mr. Mastrobuono, Mrs. Green, Mr. Yurkiw and Mr. O'Connor voted yes.

Also be it noted that a variance(s) once granted, shall not be withdrawn or changed unless there is a change of circumstances or if after the expiration of six months no substantial construction is done in accordance with the terms and condition for which such variance was granted. In which case the Building Commissioner shall give notice in writing, and thirty days thereafter the variances will be deemed null and void, and all regulations governing such premises in question shall revert back to those in effect before the variance was granted.

Motion made by Councilman Divis seconded by Councilman Jech to thereafter read the variance application by title only. Further moved to refer the Variance application to the Planning Committee. Motion carried.
