COMMUNICATIONS, PETITIONS AND CLAIMS

Mr. Ramser – Read the following variances into the record:

The Parma Board of Zoning Appeals met on Tuesday, May 10, 2022 at 6:34 pm and PROPOSED TO "VARY, subject to the provisions of amended Ordinance 1127.13 (confirmation or rejection by Council within forty days of the receipt of this notice) FOR THE APPLICANT Jobie & Karen Dotson. PPN 453-03-036.

After discussion Mrs. Green made the following recommendation:

"I make a motion to recommend to Council to grant to Jobie & Karen Dotson, 4506 Tamarack Dr., 44134 have requested a variance of the City of Parma Codified Ordinances of Section 1153.03(a) – SINGLE FAMILY HOUSE DISTRICTS-ACCESSORY USES AND BUILDINGS. Not more than one garage, whether attached or detached, shall be permitted on any one lot.

Maximum size garage allowed on a lot shall not exceed a total floor area of 800 sq. ft. The proposal is to erect an additional garage of 20' x 20' (400 sq. ft.) on lot size of 14,578 sq. ft. on property located at 4506 Tamarack Dr. The current attached garage is 546 sq. ft (21' x 26'). This variance would result in allowing for second garage and 146 more sq. ft. in area than allowed by code. The PPN is 453-03-036. Mrs. Green made a motion to recommend to Council to grant the variance permitting them to build a secondary garage in the back per their request not measuring more than 400 sq. ft. and in addition eliminating the shed which is in poor condition. With doing so the essential character of the neighborhood would not be substantially altered and adjoining properties would not suffer a substantial detriment as a result of the variance"

Mr. Mastrobuono second the motion. Mrs. Green, Mr. Mastrobuono and Mr. Ziefle voted yes.

Also be it noted that a variance, one granted, shall not be withdrawn or changed unless there is a change of circumstances or if after the expiration of six months no substantial construction is done in accordance with the terms and condition for which such variance was granted. In which case the Building Commissioner shall give notice in writing, and thirty days thereafter the variances will be deemed null and void, and all regulations governing such premises in question shall revert back to those in effect before the variance was granted.

Motion made by Councilman Divis seconded by Councilman Casselberry to thereafter read the variance application by title only. Further moved to refer the Variance application to the Planning Committee. Motion carried.

The Parma Board of Zoning Appeals met on Tuesday, May 10, 2022 at 6:34 pm and PROPOSED TO 'VARY, subject to the provisions of amended Ordinance 1127.13 (confirmation or rejection by Council within forty days of the receipt of this notice) FOR THE APPLICANT Frank Pepe, 4715 W. Ridgewood Dr. PPN 450-09-037.

After discussion Mr. Mastrobuono made the following recommendation:

"I make a motion that we recommend to Council to grant Frank Pepe, 4715 W. Ridgewood Dr., 44134 has requested a variance of the City of Parma Codified Ordinances of Section 1153.03(b)(1)(A) – Accessory Uses and Buildings – Parking Areas. Hard surface is defined as concrete or other approved hard surface area. The proposal is to use gravel for driveway surface for property at 4715 W. Ridgewood Dr. This variance would result in allowing to use the unapproved surface of a gravel for a residential driveway. PPN 450-09-037. If the property is sold, that the driveway and everything be brought up to the proper Codes that he has to do to sell that piece of property. The essential character of the neighborhood would not be substantially altered and the property owner's predicament could not be obviated in any other method other than by giving the variance"

Mrs. Green second the motion. Mrs. Green, Mr. Mastrobuono and Mr. Ziefle voted yes.

Also be it noted that at variance once granted, shall not be withdrawn or changed unless there is a change of circumstances or if after the expiration of six months no substantial construction is done in accordance with the terms and condition for which such variance was granted. In which case the Building Commissioner shall give notice in writing, and thirty days thereafter the variances will be deemed null and void, and all regulations governing such premises in question shall revert back to those in effect before the variance was granted.

Motion made by Councilman Euerle seconded by Councilman Casselberry to insert the words "There is a stipulation" before the words "if the property is sold". Motion carried.

Motion made by Councilman Divis seconded by Councilman Casselberry to thereafter read the variance application by title only. Further moved to refer the Variance application to the Planning Committee. Motion carried.

The Parma Board of Zoning Appeals met on Tuesday, May 10, 2022 at 6:34 pm and PROPOSED TO 'VARY, subject to the provisions of amended Ordinance 1127.13 (confirmation or rejection by Council within forty days of the receipt of this notice) FOR THE APPLICANT Steve & Evangelia Antonakias, 4395 Forest Hills Blvd. PPN 450-11-033.

After discussion Mr. Mastrobuono made the following recommendation:

"I make a motion to recommend to Council to grant to Steve & Evangelia Antonakias, 4395 Forest Hills Blvd., 44134 have requested a variance of the City of Parma Codified Ordinances of Section 1153.03(c)(2)(G) – FAMILY HOUSE DISTRICTS – ACCESSORY USES & BUILDINGS – PARKING OF COMMERCIAL VEHICLES. Only one commercial vehicle not exceeding a gross weight of 8,500 pounds or an overall height of 82 inches may be parked per dwelling unit. In addition to the above restrictions, there shall be no parking of the following commercial vehicle types: G. Any vehicle with a dual set of rear wheels. The request is for a variance for property at 4395 Forest Hills Blvd. to allow the parking of 2 food trucks with dual rear wheels, weighing 6,200 pounds each and are 132 inches tall. This variance would result in allowing for parking of 2 food trucks, 50 inches taller than code allows on a residential lot. The PPN is 450-11-033. There is a stipulation that there will be buffering put in with arbor vitae or evergreen trees of some sort for buffering and the essential character of the neighborhood would not be substantially altered, the spirit and intent behind the Board of Zoning Appeals will be observed and substantial justice done by granting the variance."

Mrs. Green second the motion. Mrs. Green, Mr. Mastrobuono and Mr. Ziefle voted yes.

Also be it noted that a variance once granted, shall not be withdrawn or changed unless there is a change of circumstances or if after the expiration of six months no substantial construction is done in accordance with the terms and condition for which such variance was granted. In which case the Building Commissioner shall give notice in writing, and thirty days thereafter the variances will be deemed null and void, and all regulations governing such premises in question shall revert back to those in effect before the variance was granted.

Motion made by Councilman Divis seconded by Councilman Casselberry to thereafter read the variance application by title only. Further moved to refer the Variance application to the Planning Committee. Motion carried.

The Parma Board of Zoning Appeals met on Tuesday, May 10, 2022 at 6:34 pm and PROPOSED TO 'VARY, subject to the provisions of amended Ordinance 1127.13 (confirmation or rejection by Council within forty days of the receipt of this notice) FOR THE APPLICANT Patricia L. Schneider. PPN 449-13-056.

After discussion Mrs. Green made the following recommendation:

"I make a motion to recommend to Council to grant Patricia L. Schneider, 7619 Ivandale Dr., 44129 has requested variances of the City of Parma Codified Ordinances of Section 1153.03(b)(2)(3)(6) – SINGLE FAMILY HOUSE DISTRICTS – ACCESSORY USES & BUILDINGS – REGULATIONS – PARKING AREAS. 1153.03(b) – PARKING AREAS – (2). The amount of hard surface area for a driveway permitted in a residential front setback shall not exceed 32% of the front setback area and the width of said driveway shall not exceed 12 feet wide on a lot with less than 50 feet of effective frontage;

1153.03(3) – For a house with a detached garage, a parking pad shall be permitted only in the rear yard.

1153.03(6) – For a residential lot with a front setback of 30 feet or more, a parking pad is not permitted within 15 feet of the right-of-way line nor in the interior of the lot.

Proposing to construct a parking pad to the interior of the lot for a total driveway width of 22 feet. Requesting to have 55% of the front setback area be hard surface on property at 7619 Ivandale Dr. These variances would result in the allowing driveway 10' wider than code permits with 23% more hard surface in the front setback area than allowed by code. The PPN is 449-13-056. By granting these variances the essential character of the neighborhood would not be

substantially altered and the adjoining properties would not suffer substantial detriment as a result of the variances and the spirit and intent behind the zoning and building requirements would be observed and substantial justice done by granting the variances.”

Mr. Mastrobuono second the motion. Mrs. Green, Mr. Mastrobuono and Mr. Ziefle voted yes to grant the variances.

Also be it noted that a variance once granted, shall not be withdrawn or changed unless there is a change of circumstances or if after the expiration of six months no substantial construction is done in accordance with the terms and condition for which such variance was granted. In which case the Building Commissioner shall give notice in writing, and thirty days thereafter the variances will be deemed null and void, and all regulations governing such premises in question shall revert back to those in effect before the variance was granted.

Motion made by Councilman Divis seconded by Councilman Casselberry to thereafter read the variance application by title only. Further moved to refer the Variance application to the Planning Committee. Motion carried.
