## **Parma leaf collection schedule posted**

PARMA, Ohio – Parma’s leaf collection program is a preventative maintenance measure to prevent the blockage of the street catch basins, prevent sewer backup into homes and prevent standing water in the roadways which can cause icy conditions. Residents should limit their leaf collections to leaves from their front yards, and the City asks residents to follow basic instructions:

Do not rake leaves into the street, and please avoid blocking catch basins. Do not put sticks, rocks or other debris into the leaf piles that may cause damage to the leaf equipment or cause injury to our City workers.

Do not park vehicles on the street in front of the leaf piles during your scheduled week; this may cause a hindrance in the collection process.

Have their leaves ready for pickup on the tree lawn. Otherwise, it is the responsibility of the resident to bag leaves as designated by Republic Waste Management and place them out for trash pickup day.

The exact date or times that a street will be serviced is difficult to predict, but weather permitting, the below schedule indicates approximate dates. For further assistance, please call the City’s Service Department at (440) 885-8191 or (440) 885-8980.

The collection schedule is as follows:

**Section 2:**

***From: Ridge/Ridgewood (south) to Sprague Rd. Sprague Rd. to W.130<sup>th</sup>***
