Parma introduces Holiday Tour of Lights

PARMA, Ohio – In keeping with the spirit and joy of the holiday season, the City of Parma is proud to announce its Holiday Tour of Lights. Homes with holiday lights can sign up to be listed on Google maps, separated by wards, for interested residents to view.

Residents who would like their home to be listed on the tour, or who would like to list a home other than their own, can send the address to HolidayLights@Cityofparma-oh.gov. Links to tour maps by ward will be posted on the city's social media sites – on Facebook at City of Parma and on Twitter at ParmaMayor – in the city's electronic newsletter and also on the city's website at www.cityofparma-oh.gov.

“There are so many homes with festive displays in Parma that certainly reflect the joy of the season,” said Mayor Tim DeGeeter. “We encourage our residents to get out and enjoy the displays and the seasonal beauty of the city.”

The Holiday Tour of Lights does not involve contests or voting or prizes. “This is a great family activity that, with the convenience of the Google maps, can be enjoyed right in your own neighborhood,” the mayor said. “It’s another way to showcase the best of the best in our city and to share the joy of the holiday season.”
