

**March 18, 2020**

**To All Parma Residents:**

Ridgewood Golf Course remains open. While other types of activities are not conducive to social distancing and have been temporarily closed, a round of golf is a great alternative and an opportunity to get some fresh air and exercise.

Individual carts will be offered at no additional cost to encourage social distancing. Golf course staff are taking extra precautions such as raising the hole cup on the greens, keeping the flags in the cups and continuously cleaning and disinfecting golf carts and all surfaces.

To-go food and beverages will also be available.
