

April 20, 2020

To All Parma Residents:

Starting Monday, April 20, Republic Services is resuming yard waste pick-up. Residents can place their bagged yard waste on the tree lawns.

Residents will no longer need to drop off their yard waste in the dumpsters located at Ries Rink parking lot, Veterans Park or Nike Park. Those dumpsters will be removed.

Also, beginning April 27, Republic Services will resume bulk waste pick-up and will follow the 2020 bulk waste schedule.
