Parma's annual Safety Fair is April 25

PARMA – The city's annual Safety Fair, a community event for area residents to learn valuable safety information, is scheduled for Saturday, April 25 from 11 a.m. to 2 p.m. at the Parma Justice Center, 5555 Powers Blvd.

The event is a cooperative effort of the Parma Fire Department, Parma Police Department, City of Parma and Parma City Council. The highlight of the Safety Fair comes at noon this year, as that is when the Medevac Chopper is scheduled to land. The Fair also includes a grease fire demonstration, a K-9 demonstration and information about gun safety, fingerprinting, Internet safety and much more.

"This annual event is something that families really look forward to attending," said Mayor DeGeeter, who will be attending with his family. "It's educational and fun for the whole family."

In addition to the Safety Fair, a community shredding event will also be held on the same day in the same area – an adjacent parking lot of the Medical Arts Building #4. For the shredding event, which runs from 11 a.m. to 2 p.m., Parma residents should bring identification – a driver's license or utility bill – and also a donation of canned or non-perishable food items for the Parma Hunger Center, which will be on-site collecting the food items.
