

TOUCH - A - TRUCK EVENT

Sunday, Sept 13th from 1-5 p.m.

University Hospitals & PECPTA are hosting our 1st Annual PECPTA Touch-a-Truck. It will be held at the **University Hospitals Parma Health Education Center 7300 State Road, Parma, OH.**

This FREE family event will have many trucks for kids to explore and climb on as well as a balloon animal artist, face painter, kids play area and concessions will be available! Admission is FREE but we are asking all guests to bring a canned good donation to be given to our local food pantry.

We are currently looking for as many trucks and fun/interesting vehicles as we can to fill the parking lot for kids to explore. Any and all suggestions are being considered. Please feel free to contact me with any questions! Thank you and hope to see you there!

Rachel Lamb, President 2015-2016

Parma Early Childhood PTA
