

**AGREEMENT TO ESTABLISH CONSOLIDATED COMMUNICATIONS
CENTER IN PARMA, OHIO**

WHEREAS, Ohio Revised Code Section 737.04 authorizes the legislative authority of any municipal corporation to enter into a contract with another municipal corporation, upon any terms agreed upon, for police protection services; and

WHEREAS, there is a need for and will be a significant benefit derived from a consolidation of the dispatching of public safety forces of the cities of Parma and Parma Heights.

WHEREAS, the two cities are interested in combining their respective resources into a joint venture to consolidate two Public Safety Answering Points (PSAPs) and providing for the effective and efficient operation of such a venture; and

NOW THEREFORE BE IT AGREED by the City of Parma (Parma) and the City of Parma Heights (Parma Heights) to enter into a Cooperative Agreement (Agreement) to provide for the acquisition, equipping, operation and maintenance of a consolidated communications center (Com Center) according to the following terms and conditions:

ARTICLE I Public Safety Dispatch Services

A. DURATION OF AGREEMENT

This Agreement shall commence on or near August 1, 2015 and continue for three years and further pursuant to Article II.

B. PURPOSE OF AGREEMENT

The purpose of this Agreement is to provide a method to fund the equipping, operation and maintenance of the consolidated Com Center to improve cost-effectiveness of operations and public safety in general. Parma agrees to dispatch Parma Heights Police and Fire Department calls on a twenty-four (24) hour basis to authorized personnel of the Parma Heights Police and Fire Departments and other public safety resources (such as animal control, traffic division) and to provide communication support and services/systems directly related to that function.

C. ESTABLISHMENT OF THE CENTER

The operations of the Com Center will be directed by Parma. Two advisory boards will be created - an Executive Advisory Board and an Operational Advisory Board. The Executive Advisory Board will be composed of the mayors and public safety directors, or their designees, of all community members of the consolidated Com Center and the Operational Advisory Board will be made up of the police and fire chiefs of each member community.

The City of Parma shall be responsible for establishing and maintaining a budget for the Com Center, taking into consideration recommendations from appropriate advisory boards.

1. FACILITY - Parma will be responsible for providing a suitable space for the efficient operation of the Com Center. Parma will retain ownership and be responsible for ongoing maintenance of the building.

2. EQUIPMENT - All equipment needed to commence operation of the Com Center will be acquired by Parma. A review of existing Parma Heights equipment will be completed and incorporating any Parma Heights equipment into the new Com Center will be at the discretion of Parma.

Parma Heights will provide and be responsible for all necessary equipment to receive dispatch services in the field including radios, mobile data terminals, video cameras and any other communication equipment. Parma Heights acknowledges that Parma may incur additional costs in the future for upgrading, repairing or replacing com center equipment that benefits Parma Heights.

The parties agree that notice of non-emergency capital expenditures which may impact Parma Heights shall be provided ninety (90) days prior to implementation.

The parties mutually agree that Parma Heights share of an authorized capital expenditure shall be not exceed 15% of the proposed capital expenditure. In the event that additional municipalities join the system the parties agree to re-negotiate Parma Heights' share of future capital expenditures.

Parma Heights will be solely responsible for all user fees for such services as LEADS, CAD, and RMS.

3. PERSONNEL - Parma will seek recommendations from the advisory boards to establish the requirements for the position of Com Center director. Parma will seek to retain employment of current dispatch personnel according to bargaining unit and Parma Civil Service requirements. Parma will have ultimate responsibility for the hiring and managing of Com Center personnel.

Parma Heights agrees that it will be solely responsible for undertaking arrangements to cause the de-certification of their current collective bargaining unit for dispatchers, if deemed necessary. Evidence of de-certification will be provided to Parma. Parma Heights will be solely responsible and liable for any claims, actions, grievances or legal issues arising under its collective bargaining agreement with its dispatchers and arising as a result of entering into this Agreement.

4. PAYMENT FOR DISPATCH SERVICES - Parma Heights, in consideration of the provision of dispatch services outlined herein, agrees to pay Parma the

amount of Twenty-four Thousand Dollars (\$24,000) for the first eleven (11) months and Twenty-three Thousand Dollars (\$23,000) for the twelfth month for a total annual fee of Two Hundred Eighty-seven Thousand Dollars for the first year of operation.

The parties agree to meet directly and/or through the Executive Advisory Board by July 31st of each calendar year to evaluate the sufficiency of payments for future dispatch services and to discuss in good faith any proposed changes whether increases or decreases in user fees based on an operational cost analysis to include evaluation of costs distribution, changes in workloads, economies of scale and labor costs.

In any event, if workload volume directly related to Parma Heights increases to a point that additional staffing becomes necessary, Parma may, but after consultation with Parma Heights, increase monthly fees, if announced by October 1st for the following calendar year. In the event that an increase in monthly fees becomes necessary the increase shall be capped at 15% of the proposed monthly fee increase.

Notwithstanding, the parties further agree that the foregoing monthly payments shall increase, as necessary, to cover any additional expenses including contractual wage increases, health insurance increases, and other personnel-related costs associated with Parma's cost of employing the additional dispatch personnel necessary to provide dispatch services to Parma Heights. Parma shall notify Parma Heights, in writing, of any proposed additional expenses at least ninety (90) days prior to the effective date of any increase in payment to Parma for dispatch services. In the event that an increase in monthly payments becomes necessary the increase shall be capped at 15% of the proposed monthly payment increase.

Should an additional city desire to consolidate dispatch services into the Parma center, all costs will be re-evaluated by the Executive Advisory Board on an operational cost basis.

5. PARMA DISPATCH CENTER RESPONSIBILITIES – Representatives of the three original municipalities have met to discuss Parma's dispatch responsibilities under this Agreement which are set forth in Exhibit A. It is mutually understood by the parties that additional modifications and/or revisions to this Exhibit may be required. The parties mutually agree to continue their discussions and agree to make the additional modifications and/or revisions by written addendum.

6. NO OBLIGATION TO RESPOND/NO LIABILITY - This Agreement is not intended to and shall not be construed to require Parma to respond beyond the dispatch function to calls or incidents whether of a law enforcement, fire or EMS basis, not to otherwise provide law enforcement services for events that occur in Parma Heights. In this regard, Parma shall have no liability or responsibility for the actions, errors, omissions or negligence of Parma Heights Police or Fire safety forces or service personnel in responding to dispatch calls taken through the dispatch center. Parma Heights shall maintain proper levels of insurance in this

regard. Notwithstanding this provision, Parma may render assistance in

accordance with Ohio law, any current mutual aid agreements, and/or any current agreements for dispatch services.

ARTICLE II Termination

TERM/TERMINATION - It is estimated that Parma will begin providing public safety services at twelve a.m. on August 1, 2015 or as soon thereafter as Parma reasonably determines that all training, staffing, systems and operational prerequisites are set in place and ready ("commencement of services date"). This Agreement shall remain in effect for an initial term of three (3) years but will renew automatically from year to year unless terminated upon six (6) months advance written notice by either party terminating the Agreement, with or without cause for any reason or no reason.

ARTICLE III Public Records

PUBLIC RECORDS - The parties agree and acknowledge that records created pursuant to this Agreement may be public records under the Ohio Public Records Act and agree to coordinate with each other, in a timely manner, on responses to public record requests and with regard to determination of record retention schedules. Notwithstanding this provision, the parties agree that nothing in this Agreement shall be construed as limiting a party from responding to a public record request in accordance with Ohio law. Processes will be established to enable Parma Heights to obtain access to its recordings of radio and telephone traffic.

Upon obtaining the appropriation of additional funds the Agreement shall be re-certified by the Treasurer or Finance Director of Parma Heights and a copy of the additional certification shall be provided to Parma's Treasurer.
