

## APPENDIX A

### PROJECT DESCRIPTION AND COMPLETION SCHEDULE

#### 1) PROJECT DESCRIPTION / PHYSICAL SCOPE:

The Project, for which the provision of financial assistance is the subject of this Agreement, is hereby defined and described as follows:

a) PROJECT NAME: **Chevrolet Blvd. Area Storm & Sanitary Sewer Improvement**

b) SPECIFIC LOCATION: **The project is located along Chevrolet Boulevard near its intersection with Brookpark Road. It begins by the GM Parma facility and extends south to the intersections of Deborah and Gabriella Drives, and then continues east to Alexander Drive encompassing Aaron, Deborah, Richard, Gabriella and Sharon Drives.**

(Project Location Zip Code - 44130-)

c) PROJECT TYPE; MAJOR COMPONENTS: **The project consists of upgrading the storm sewer capacity, and lowering/separating the sanitary sewer system out of the common trench to reduce localized flooding. The work includes replacement of manholes, sewer connections and street rehab. See engineer's estimate in project application for approved bid items and quantities.**

d) PHYSICAL DIMENSIONAL CHARACTERISTICS: **1190 feet of varying sizes of storm sewer with 8 manholes to increase capacity to 90 MGD for a 10-year flood frequency; 3350 feet of sanitary sewer with 14 manholes to increase capacity to 1.9 MGD; and 6000 square yards of street rehab.**

2) PROJECT SCHEDULE:

The Project, for which the provision of financial assistance is the subject of this Agreement, shall be pursued and completed in accordance with the following schedule:

<u>ACTIVITY</u>	<u>START DATE</u>	<u>COMPLETION DATE</u>
Final Design	07/20/2015	07/31/2016
Bidding Process	09/15/2016	11/15/2016
Construction	12/01/2016	12/15/2017

Construction must begin within 30 days of the date set forth herein for the start of construction, or this Agreement may become null and void, at the sole option of the Director. However, the Recipient may apply to the Director in writing for an extension of the date to initiate construction. The Recipient shall specify the reasons for the delay in the start of construction and provide the Director with a new start of construction date. The Director will review such requests for extensions and may extend the start date, providing that the Project can be completed within a reasonable time frame.

The information detailed in this Appendix A shall serve as the basis for Project monitoring purposes and for determining Project acceptance upon its completion. In the event that circumstances require a change in physical scope, such changes must be approved through the execution of a formal Amendment to this Project Agreement.
