

MEMORANDUM OF AGREEMENT

The City of Parma and the Village of Brooklyn Heights desire to implement an agreement regarding use of the Parma Radio Frequencies and agree to the following:

1. The City of Parma and the Village of Brooklyn Heights agree that the occasional use of the Parma radio frequencies will enhance the ability of either or both cities to more efficiently perform their duties as they relate to public safety.
2. The City of Parma and the Village of Brooklyn Heights agree that in times of emergency or where the situation requires that the safety forces of the above cities communicate directly that the Village of Brooklyn Heights be granted the ability to utilize the frequencies owned by the City of Parma.
3. The Officer-In-Charge (OIC) from the Village of Brooklyn Heights Police Department will request the use of a frequency and if granted by the Parma Communications Center OIC, will be assigned a frequency to utilize.
4. All use of the frequency by the Village of Brooklyn Heights will be in accordance with FCC Rules and professional in nature. Failure to do so may result in denial of future request to utilize a City of Parma Frequency. Any FCC sanction would be levied against the violating city. Any issues brought up by either city will be discussed with the Department Chiefs and the Parma Communications Center with every attempt made to resolve it.
5. The parties further acknowledge the above agreement and will abide by it.
