At or before Service activation at a Most of World Site with outbound BVoIP calling, Customer certifies it has and agrees to continuously keep individual business lines and other appropriate facilities with a local service provider or other provider capable of, and responsible for, providing Customer access to three-digit emergency dialing services, if AT&T does not provide emergency dialing service and for as long as AT&T provides outbound BVoIP service to that Site. Customer is responsible to ensure that all calls to these emergency dialing service numbers are routed over appropriate facilities to ensure completion provided by that local service provider, or other provider. Customer shall not knowingly engage, or permit any Affiliate or User to engage, in acts or omissions that cause, produce, or otherwise give rise to any third-party claims or related loss, liability, damage or expense which arise from Customer's failure to perform Customer's obligations outlined in this Section. AT&T's provisioning of outbound BVoIP service is conditioned upon Customer's full compliance with these obligations, and failure to do so is a material breach of this Agreement.

If Customer supplies information to AT&T that, according to the Business Directory Publisher or Directory Assistance provider or otherwise, violates (1) or does or may violate (2), Customer understands that its listing information may, without advance notice, be rejected or removed from White Pages, Yellow Pages and Directory Assistance databases, and Customer will not knowingly engage, or permit Affiliate or User to engage, in acts or omissions that cause, produce, or otherwise give rise to any losses, liability, damages, fines, claims, costs or expenses of any kind, suffered by AT&T, by any AT&T Affiliate, by Customer or by any third party as a result of Customer's breach of its obligation.
