PERMANENT UTILITY EASEMENT AGREEMENT**

This Temporary Construction and Permanent Utility Easement Agreement ("Agreement") is entered into by and between VALENTINO CAMARDO JR. and LINDA CAMARDO ("Grantors"), being husband and wife, who own real property located at 1020 Old Rockside Road in the City of Parma, County of Cuyahoga, State of Ohio consisting of Permanent Parcel No. 445-15-006 as described in AFN 200706010047 ("Grantors' Property), and the CITY OF PARMA, Ohio ("Grantee"), a political subdivision of the State of Ohio.

For valuable consideration in the sum of Two Thousand Six Hundred dollars (\$2,600.00), the receipt and sufficiency of which Grantors acknowledge, Grantors and Grantee do hereby agree to the following terms:

1. PERMANENT UTILITY EASEMENT. Grantors grant, bargain, sell, convey and release to Grantee, its successors and assigns, a permanent easement ("Permanent Easement") over, under, in, along, across and upon a part of Grantors' Property for purposes of constructing, installing, using, operating, maintaining, repairing, and replacing a sanitary sewer pipe, together with all necessary manholes and connections (the "Improvements"). Grantee shall not construct or install any permanent above-ground structure over or upon the Permanent Easement without Grantor's prior written approval. All necessary Equipment and Facilities used to construct, install, maintain, repair, and replace the Improvements shall be removed from Grantor's Property upon completion of work performed. The Permanent Easement is described more fully in the attached and incorporated Exhibit A, and is depicted generally on the attached and incorporated Exhibit C.

2. TEMPORARY CONSTRUCTION EASEMENT. Grantors grant, bargain, sell, convey and release to Grantee, its successors and assigns, a temporary easement ("Temporary Easement") over, under, in, along, across and upon a part of Grantors' Property for purposes reasonably related to the initial construction and installation of the Improvements. The Temporary Easement is described more fully in the attached and incorporated Exhibit B, and is depicted generally on the attached and incorporated Exhibit C.

3. The Temporary Easement shall commence upon Grantors executing this agreement and shall automatically terminate and expire upon the date construction and installation of the Improvements is completed. Upon the expiration of the term of the Temporary Easement, all the rights and privileges of Grantee in, to and under this Agreement with respect to the Temporary Easement shall automatically terminate and be of no further force and effect.

4. Each of Grantee, its successors and assigns, shall exercise its rights with respect to the easement areas granted herein in a manner reasonably designed, in good faith, to avoid and prevent interference with the ownership and operation of Grantors' Property and the operations and tenancies of any and all occupants of Grantors' Property.

5. All right, title and interest in and to any easement area under this Agreement which may be used and enjoyed without interfering with the rights and privileges conveyed by this Agreement are reserved to Grantors, provided, however, that Grantors shall not construct or maintain any building, structure, or obstruction of any kind which may cause damage to or interfere with the Improvements to be placed in the Permanent Easement area; or construct or maintain any building, structure, or obstruction of any kind which may impeded access to and use of any easement area described in this Agreement; or develop, landscape, or beautify any easement area in any way which would unreasonably or materially increase the costs to Grantee of installing the Improvements or restoring any of the easement areas after such installation.

6. In the event the surface area of any easement area is disturbed by Grantee's exercise of any of its rights and privileges under this Agreement, Grantee shall restore such area as near as possible to the condition in which it existed at the commencement of Grantee's activities. Grantee shall use concrete (not asphalt) to restore any part of the driveway, including the apron, that is disturbed under this Agreement. Grantee further agrees to remove all trash and debris caused by Grantee's construction and repair activities from Grantor's Property.

7. The Permanent Easement and the Temporary Easement granted and conveyed under this Agreement are intended to run with the land described in this Agreement and shall be binding upon and shall inure to the benefit of the parties hereto, their respective heirs, personal representatives, successors and assigns, and may not be modified or

9. Each of the parties to this Agreement agree to execute such other documents and to perform such other acts as may be reasonably necessary or desirable to further the expressed and intent purpose of this Agreement.
