

PARMA MUNICIPAL EVENT CENTER/ GOLF CLUBHOUSE COMMITTEE

January 11, 2022

The Honorable Timothy DeGeeter, Mayor
City of Parma
6611 Ridge Road
Parma, OH 44129

RE: Recommendation

Dear Mayor DeGeeter:

The Citizens Committee on the Parma Municipal Event Center/Clubhouse has considered the information presented by County Councilman Scott Tuma and Chief of Staff to Armond Budish, William D. Mason regarding funding for the demolition of the current Ridgewood Golf Course clubhouse. In summary, that information was that the City could apply for up to \$175,000.00 in county funds and up to \$50,000.00 in Cuyahoga County landbank funds for the demolition of the current Ridgewood Golf Course clubhouse and proper disposition of any asbestos debris in the demolition thereof.

Unanimously, this Citizens Committee recommends that these funds be immediately applied for, and if received, that the current clubhouse be demolished. Once demolished, the committee recommends that the golf course continue operations using temporary clubhouse quarters, such as portable trailers, for the golfing season in April of 2022. The committee urges you and all of City Council to take such immediate action as necessary to secure the funds and provide for the demolition of this unsafe structure.

Thank you for your consideration in this matter.

Sincerely,
